

RAMAKRISHNA MISSION SCHOOL LP SCHOOL, LAITDUH

RKM LP SCHOOL, LAITDUH

Ramakrishna Mission School Laitduh was established in the year 1960. It is located in a Rural area which falls under Shella Bholaganj Block of East Khasi Hills District, Meghalaya. It is situated 8km away from Sohra (Cherrapunjee), along the left side of the road which leads to Mawkma and Mawmihthied.

The old school building was Kuccha type of roof. The first established were (L) Lonel wanwar and his wife (L) Surilina Syiemlieh. When it was first started, it was a primary section up to Grade III. After a few years, to cater to the needs of the students, this school was upgraded to an M.E school. When the M.E section was started, there were many students who studied in this school including local students and other students from nearby villages. At that time, students' hostel was constructed. But in the course of time, due to the development of road and transport, students started to join other schools in Sohra. This leads eventually to the lesser enrolment of students which was the main reason for which the M.E section was closed.

Later the school building was shifted from that area to another part of Laitduh village. On 11th, November 2002, the Dobar shnong Laitduh donated an area of 6750 sqm to Ramakrishna Mission Ashrama Sohra for the construction of the new school building. The new building was inaugurated by Sriamt Swami Saniranandaji Maharaj, Asst. Secretary of Ramakrishna Mission,

Belur Math Howrah on 13.05.2005. There are three teachers who are still serving to this day and the present Head Teacher of this school is Smt. Ringburom Lyngdoh.
