Our school has produced many students that are having knowledge to proceed their further studies.

There are some of them who are working now as the Government Servant and also of them who are doing own Business. Some of them have become teacher and so on.

In our village, presently there are two school i.e.,

- 1) R.K. Mission L/P School Umdiengpoh
- 2) S. S. A Upper Primary School Umdiengpoh.

Our school also has contributed and benefitted a lot for the village as a whole especially for the poorer families who cannot support their own children for schooling because our school provided free distribution of book, copies, shoes, bags etc.

Our school also have an academic calendar and diary which notified everything right from Feb till 23rd December.
