

Mobile Dispensary:

Reaching the Unreached: RKM Charitable Hospital's Mobile Dispensary Initiative

The RKM Charitable Hospital, Sohra, has been tirelessly serving the rural communities of Meghalaya through its innovative Mobile Dispensary program. This initiative aims to bridge the healthcare gap in remote areas, providing essential medical services to those in need.

Mobile Medical Units:

The hospital operates two Mobile Medical Units (Unit I & Unit II) that embark on daily journeys (except Thursdays and Sundays) to various villages across the region. These medical vans are equipped with necessary facilities, doctors, nurses, and medical essentials to provide comprehensive healthcare services.

Areas Covered:

The Mobile Dispensary units cover a vast range of villages, including:

- Laitlyndop
- Mawkma
- Mawmihthied
- Laitmawsiang
- Mawlyndiar
- Mawrah
- Swer
- Laitkroh

- Dewlieh
- Lummawkong
- Mawjrong
- Pynursla
- Umthli
- Mawlam
- Lyndem
- Laitlyngkot (Iew Area and School)
- Wahtyngai
- Mawkynring
- Majai
- Dharambasti
- Kalibari

Medical Services Provided

The Mobile Dispensary offers a range of medical services, including:

- Homeopathy
- Allopathy

Additional Support

In addition to the Mobile Dispensary services, the hospital also provides doctors, nurses, and medical essentials to Sohbar Hostel as needed, ensuring that medical care is accessible to all.

The RKM Charitable Hospital's Mobile Dispensary initiative is a shining example of dedication to serving humanity and providing quality healthcare to marginalized communities.
